

APRIL BULLETIN

BINS

It is likely that wheelie bin collections will be changed from twice weekly to once every 3 weeks. This is in order to meet Conwy County Council's recycling targets.

Everything else: recycling boxes; compost bins; battery pouches, will remain the same.

Also we hope soon a weekly nappy disposal service will become available.

If you are having problems with any aspect of recycling please phone: The Recycling Dept. 575337 and watch our website

www.eglwysbach.org.uk or Facebook page Cymuned Eglwysbach for further news and updates.

You may be entitled to a 2nd set of recycling boxes, or to a bigger bin.

Also if you have problems with memory loss, disability or medical waste the County will make special arrangements to help you.

An efficient recycling and waste disposal regime will benefit us all in the long run. Conwy has an excellent record in recycling.....
