

MEMBERS' ALLOWANCES AND EXPENSES 2018/19

The Independent Remuneration Panel sets out determinations each year for payments in respect of members of community and town councils. These are permissive powers that require a formal decision by each community or town council. Where a community or town council makes such a decision, it must apply to all its members at the levels determined. An individual member may make a personal decision to elect to forgo part or all of the entitlement to any of these allowances by giving notice in writing to the proper officer of the council.

In accordance with Section 151 of the Local Government (Wales) Measure 2011, listed below is the remuneration received by members of the Council for the 2018/19 financial year.
